File 131/1/13

As agreed at the final meeting of the Sea Division Working Party Meeting on 28.9.88 at Forhill, I enclose a draft of the Feasibility Study Report on Underwater Storage. A Feasibility Study for Offshore Storage of Wastings is also being carried out; a draft copy of this report will be circulated in due course.

D/SEA/CNA/DMS(N) are requested to supply comments in writing by Wed 26th March.
